

## ***Teen Source After School and Youth Development Program***

### ***Mission***

Our Mission is to provide effective, comprehensive, after school services for youth in at risk situations that promote life- skills development, in order to maximize the success of our youth and the quality of life in our community.

### ***Philosophy***

We are committed to our community and its families and provide the opportunities deemed essential in producing successful adults, and laying the foundation for a safer, healthier, future for our youth.

### ***What is teen source?***

Teen Source is a premier after school and youth development programs designed to empower youth to enhance their individual gifts, talents, knowledge, and skills in a safe and nurturing environment. We provide high quality, well structured activities that focus on life skills development, academic enrichment, and workforce preparation. Teens are also welcome to drop by socialize and have fun.

Our services are free, our staff is youth friendly, and our program structure is the product of several years of data collected from youth, parents, professionals, teachers, community leaders, and residents throughout the Los Angeles community. We have over 10 years of experience in youth services, and are committed to providing a solid,

positive foundation for a successful, safe, and healthy future for our youth.

### ***The importance of an after school program***

Research has shown that positive youth development programs support the healthy and successful development of adolescents. Youth who participate in such programs are exposed to several opportunities that assist them in developing healthy self-concepts, social attitudes and networking skills.

After school programs that meet the needs of adolescents and their families, play a key role in their success.

### ***Youth Development services***

*Our services are provided by staff with specific disciplines and training in providing services in the areas of:*

Math and Reading Literacy  
Life- skills Development  
Computer Literacy  
Peer Education Training  
Health Education  
Youth Counseling  
Positive Adult Mentoring & Modeling  
Social- skills Development  
Leadership- skills Development  
Young Business Development
