The Americans with Disability Act Amendments Act of 2008

The American with Disability Act (ADA) Amendments Act (ADAAA) of 2008 was signed into law in September 2008 and became effective on January 1, 2009. The detailed guidance is referenced in Public Law, Sections 110-325, ADAAA.

Title II of the Americans with Disabilities Act of 1990 and the ADAAA prohibits discrimination based on disability by state and local governments. The ADA and Section 504 of the Rehabilitation Act of 1973 address issues pertaining to both physical access and program access.

Per the U.S. Department of Agriculture (USDA) Policy Memo, CACFP 14-2017: Modifications to Accommodate Disabilities in the Child and Adult Care Food Program; program operators must ensure that breakfast, lunch, snack, or milk (meals) offered through the CACFP meet the respective meal pattern requirements established in the program regulations. Federal law and USDA regulations further require program operators to make reasonable modifications to accommodate participants with disability, which includes providing special meals, at no extra charge, to participants with a disability that restricts the participant's diet.

Program operators must accommodate meal modifications within the Child Nutrition Programs (CNP). The program operator (agency) will notify the vendor, of any meal modification(s) necessary within their CNP, at least 24 hours/days (e.g., 48 hours) prior to the delivery of the meal or when the agency receives notification of the required meal modification(s).

Nondiscrimination Statement

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (AD-3027), found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
